## PROFILE

"I am a Freelance Web Designer And WordPress Expert. I am a Creative Designer Based in Bangladesh, and I am very passionate and dedicated to my work. I'm a creative web developer with extensive experience of over 3 years.

## WORK EXPERIENCE

### WordPress Web Designer

2016-2018

- I began my WordPress learning journey with Safe Syntax, and I'm now a proud team member.
- My time here has been invaluable, as I've honed my skills and contributed to various projects.
- I'm grateful for the opportunity to grow and collaborate with such talented professionals.

### E-commerce Expert

2017-2018

- Following my e-commerce course, I embarked on learning the ecommerce a powerful set of technologies for ecommerce development.
- Through self-study, online courses, and hands-on projects, I've been immersing myself in e-commerce and Shopify.

### SEO Expert

2018-2019

- After completing my SEO course at MSB Academy, I applied my newfound knowledge to optimize my WordPress website.
- Implementing basic SEO techniques such as keyword research, meta tags, and internal linking has significantly improved my site's visibility and ranking on search engines.
- It's been a rewarding experience to see tangible results!
